

Welcome to Grade 1

Mrs. Jenn

- ▶ Hello! I am Mrs. Jenn and I am so excited to be teaching Grade 1 this year. Most of you already know me as Mme. Jenn, from last year and I couldn't be happier to be back with this group of students.
- ▶ Moving from kindergarten to grade 1 is a big transition in a student's school career. My plan is to have as much hands-on learning as I can provide. We will learn through music and movement, art, drama, games, manipulatives and, of course, paper and pencil. Students will be engaged and excited about learning!
- ▶ It's going to be a great year

Our Classroom

What happens during our day?

Daily schedule

7:55 - 8:00 Homeroom (Mrs. Nugent)

8:00 - 9:15 English Language Arts (Mrs. Nugent)

1:30 - 2:30

Math (Monday) (Mrs. Jenn)

Math & Ethics (Tuesday & Friday) (Mrs. Jenn)

Phys Ed (Wednesday) (Mrs. Jenn)

Art (Thursday) (Mrs. Jenn)

Communication

Seesaw, phone, email

We will just be using the Seesaw app so parents can have an opportunity to see some of the things that their child is doing at school, a few times a week. This can be used to spark a discussion at home. The comment feature of the app will be disabled. We can be reached by scheduling a telephone call during school hours or by email, during school hours.

How can you contribute to the classroom?

- ▶ Can you make playdough for the classroom? We can provide you with the ingredients and a recipe.
Do you have items around the house to donate for math manipulatives? Buttons, washers, pennies, bingo markers, etc.
Can you send in pieces of scrap material, ribbon, small boxes, paper towel rolls, egg cartons, tape, etc. We need an ongoing supply of materials for art and science.
We are always in need of beginner reader books that follow a repetitive pattern.
