

Meet the Teacher

About Me

My name is Mallory Peck and I teach the Grade 6 class at Onslow Elementary. I believe that a classroom should be a safe, caring community where children are free to speak their mind and blossom and grow. I will use strategies to ensure our classroom community will flourish, like daily morning meetings. I will integrate technology throughout all subjects so our students are ready for secondary education and beyond.

This is my fifth year teaching at Onslow. I have a bachelor degree from the University of Ottawa and a two year Teacher Education degree from Nipissing University.

I love teaching at Onslow because of its unique size, location, and culture. The small size of the school ensures everyone is cared for. Our surroundings are beautiful – I am a huge outdoor enthusiast, and will use outdoor education to inspire my students to love nature as well. Lastly, I grew up right here in the Pontiac so Onslow really has captured my heart. <3
