

September, 2021

Hello Dear Parents,

I am so happy to be your children's Pre-Kindergarten (K4) teacher this year. And, as most of you know, the children call me Madame Louise.

Every K4's day is packed full of learning through stories, song, movement and play, with scheduled breaks for morning and afternoon snacks, lunch, and morning and afternoon recesses. Their learning activities will not be limited to the classroom space, as I am enthusiastic about exploring in the fresh air of an outdoor setting.

So far, the themes planned for this year are fall, farms, apples, pumpkins, dinosaurs, baking and decorating, winter, arctic animals, reptiles, spring, insects, camping, and summer fun. Of course, as student interests arise, these themes may be subject to change.

I sincerely look forward to getting to know each and every one of your children as they share their tastes, interests and feelings with me and their classmates. And, most especially, I look forward to being able to watch as they develop confidence in themselves as members of our class and as members of our Onslow Elementary School community.

Please feel free to reach out to me through email at lbarette@wqsb.qc.ca or on the SeeSaw App.

Sincerely,

Madame Louise
