

Onslow Elementary News

26 October 2021 – **UPDATE.2**

School Life:

Micro-soccer tournament: tournament on 28 October. We have blended teams from Grades 3-4 to Grade 6: Otters, Pigeons, Pines and Warriors. Due to what appears to be a rainy week, next week, our rain date will be 4 November. The weather looks like it will be warmer on Thursday, 28 October. Game play will begin at 12:30 and the 4 teams will play each other at least once with a playoff game at the end of the day.

To err on the side of caution, the tournament will be staff and students only. However, plenty of pictures will be posted on our website and FaceBook page.

CANCELLATION: Outdoor Ed hiking trip to Luskville Falls: due to poor weather and winter access road closure, our whole school trip is postponed until the 3rd week of May, 2022.

Promotional video: Yesterday, a Pontiac based video crew came to OES. Their goal is to promote education facilities in the Pontiac. Incoming families will be able to know and see their options for schooling in the region. Our school is one of 10 participants. This promotional activity (subsequent video) respects the guidelines and permissions granted by parents upon registration.

Please keep an eye on our Face Book page: <https://www.facebook.com/OES-Jays-112559296884065> & Our OES Website: <https://onslow.westernquebec.ca/parent-information/> for more information on school life.

Hallowe'en and OES: we enjoy seeing the kiddos dressed for Hallowe'en and there will be classroom celebrations. Customarily we have a few restrictions for costumes: replicated weapons and masks that cover the whole face). Halloween treats and snacks are welcome but under COVID 19 health protocols, they should be pre-packaged / sealed and not homemade.

Picture Retake Day: Look sharp! Monday, 1 November.
