Mabel's Labels Fundraiser

Our school is doing a Mabel's Labels fundraiser this year. We are raising funds to purchase outdoor equipment for the students. Mabel's Labels is a company that makes name labels for clothing, shoes, water bottles and school lunch containers. By purchasing name tags for your child's school material, you can support the school's fundraising campaign. Labels can be purchased online through https://mabelslabels.ca/en_CA/. Once on the website, click "Support a fundraiser" and add Onslow elementary school as the organization you would like to support. By purchasing labels for your child's school material the school can earn 20% from every purchase and the school will be able to locate lost sweaters and lunch containers and make sure they come home to you.
