Re: School Closures

Good afternoon,

Earlier today, a directive regarding school closures was issued by the provincial government, in light of the growing number of Covid-19 cases. Please see the details below.

- All school classes (elementary, secondary, adult education, and vocational training) are cancelled on Tuesday, December 21st, and Wednesday, December 22nd
- Classes will resume in the new year as per individual school calendars; however, any classes scheduled to begin before January 10th will be run virtually
- Daycare services will be available as per school calendar on Tuesday, December 21st, and Wednesday, December 22nd

Please note that any new information will be communicated to you as per usual procedures.

Sincerely,
